Education

Brigham Young University, Marriott School of Management

Provo, Utah

- Candidate for Bachelor of Science in Information Systems; GPA 3.54
 - Major GPA 3.61
- BYU CEO Club, 2011-2012, AIS Club, 2014-2015

9.2011-6.2017

Experience

Product Coordinator, *Positive Learning – Provo, Utah*

9.2015-Present

- Documented processes and organization of responsibilities to assist new CEO in understanding composure of the company.
- Created a project management system through Trello, utilizing Agile methodologies, which improved efficiency and transparency in the feature-development process.
- Acts as “Internship Coordinator” over two-man intern-dev team, assuring that interns are staying busy and receive answers to the questions and issues they have.

Junior Developer, *Advanous – Richmond, Virginia*

5.2015-9.2015

- Worked with Senior Developers in building an Excel-based add-in to import/export data between Excel and a mobile application.
- Responsible for cosmetics, error-handling, and integrating new features into the Excel add-in.
- Created Visual Basics programs to automate data analytics through Excel, saving clients both time and money in report-generation.
- Acted as a load tester for a web-based analytics application; identifying problems and working with the development team in resolving those issues.

IT Support Representative, *Brigham Young University Broadcasting*

1.2015-4.2015

- Assisted BYU Broadcasting in their IT setup, repair, and troubleshooting.
- Basic involvement with UNIX, managing files and connecting shared folders through different networks.
- Worked with employees of BYU Broadcasting daily, problem solving and communicating to better understand issues and determine solutions.

Volunteer Missionary, *The Church of Jesus Christ of Latter-Day Saints*

8.2012-8.2014

- Worked in several leadership capacities, assisting and training groups of 6, 20, 30, and 280 missionary volunteers.
- Spoke at several conferences and events, some of which had 200+ attendees. Spoke and trained about positive life values and increasing both time management and productivity.
- Spent 15 months teaching, training, and prospecting in the Spanish language.

President, *Eagles with Trucks Landscaping*

4.2011-8.2011

- Started licensed and registered landscaping company, employing 4 employees.
- Operations included hauling, lawn maintenance, landscaping, basic construction and power washing.
- Managed all operations, hiring, logistics and finances.

Additional Achievements, Awards, Skills and Experience

- Experienced with: HTML5, CSS3, Javascript, Bootstrap, VBA, SQL Server, C#, Java, .NET
- Proficient in Public Speaking, appearing before large and small groups.
- Proficient in the Spanish Language.
